RESIDENTIAL LEASE AGREEMENT PART II

THIS LEASE AGREEMENT (“Lease”) is between the Cohoes Housing Authority (“Authority”) and Tenant named in Part I of this Lease (“Tenant”).

I. Description of the Parties and Premises:

1. Authority, in reliance upon verified data on income, family composition, and need, leases to Tenant, the property (“premises” or “dwelling unit”) described in Part I of this Lease Agreement, subject to the terms and conditions contained in this lease.
2. Premises must be the sole residence and used only as a private residence solely for Tenant and the household named on Part I of the Lease. Authority may, upon prior written approval, consent to Tenant’s use of the unit for legal profit-making activities incidental to the residential use subject to the Authority’s policy on such activities

All additions to the household members named on the lease, including Live-In Aides and foster children, but excluding natural births, require the advance written approval of Authority. Such approval will be granted only if the new household members pass Authority’s screening criteria and a unit of the appropriate size is available. All additional persons must make a normal application for admission and be certified eligible prior to any consideration of the Authority to provide written consent for their addition to the Lease. The failure to obtain such consent will result in the immediate termination of the Lease and/or refusal for Lease renewal. Unauthorized persons using or giving a Cohoes Housing Authority address without prior approval of the Authority may have their formal application denied. Further, the lease of any tenant who knowingly allows an unauthorized person to use the tenant’s address, including the receipt of mail at the tenant’s address, will be terminated. . Visitors and/or guests at an apartment not having another legal address shall be considered an unauthorized tenant and the tenant shall be subject to the termination of tenant’s lease (Annual plan 6/2012). Permission to add Live-In Aides and foster children shall not be unreasonably denied. Tenant shall not permit additional household members to move into the premises prior to receiving written approval from Authority. Tenant’s failure to comply with this provision shall be considered a serious violation of the material terms of the lease, for which the Authority may terminate the tenancy.

3. Tenant shall report any change in income or family composition immediately upon the occurrence of such change, Tenant shall submit an application for continued assistance when requested to do so, including at the time of annual reexamination.

II. Lease and Amount of Rent

1. This Lease shall be for a twelve-month term, renewable for subsequent one-year terms, The Lease shall be effective as of the date when this lease is executed. The Lease term will end on the last day of the Twelfth month following the execution of the Lease. During any period of time between the expiration of a twelve month term and the execution of a new Lease, Tenant shall be deemed to hold over on a month to month basis under the terms of this Lease. The lease may be modified at anytime during the lease period by written agreement of the tenant and the Authority. A new lease shall be executed in the event of a transfer to another unit or a change in the basic rent. Failure of a tenant to accept a lease revision is grounds for termination of tenancy.

The “Total Rent” to be paid by Tenant shall be “Tenant Paid Rent”, plus surcharges, if any, assessed the tenant at the time the lease is signed. Changes in “Tenant Paid Rent” resulting from a change in tenant’s income shall be implemented by an amendment to the lease. Changes in “Tenant Paid Rent” resulting from the addition or deletion of household members shall require execution of a new lease or an amendment to the lease where allowed by program or law.

The Authority shall determine the amount of Total Rent and the amount of Tenant Paid Rent in compliance with New York State and all other applicable regulations and requirements and in accordance with the Authority’s Admissions and Occupancy Policy.

2. Rent is due and payable in advance on the first day of each month and shall be considered late if not paid in full prior to the close of business on the 5th business day of the month in which it is due. A late charge of \$20.00 will be charged to the Tenant if rent is not paid when due. Rent may include utilities as described in part I of the Lease. The late charge will be applied to all rent charges assessed to the tenant account.
3. Rent payments are applied first to the current month and then to past due months in the order in which they accrued.
4. The Authority shall give prior written notice to the Tenant when the Authority makes any change in the amount of Total Rent or Tenant Paid Rent. Such notice shall state the new amount and the date from which the new amount is applicable. Redeterminations of Rent are subject to the Grievance procedure. Tenant may ask for an explanation of how the amount is computed by the Authority. If Tenant asks for an explanation, the Authority shall respond in a reasonable time.

III. Rent Amounts

Tenant is responsible for paying monthly rent in the amount stated in Part I of this Lease. Tenant rent may be considered under one of the following classifications:

- i Residents who are currently paying a flat rent will be charged the new flat rent amount only at their next annual reexamination if they choose to continue the flat rent option. Tenants who have chosen the flat rent option may request a reexamination and change to the formula-based method at any time if the family's income has decreased, their ongoing expenses for such purposes as child care and medical care have changed, or any other circumstances exist that create a hardship for the family that would be alleviated by a change.
- i All other residents will be offered the option to pay the flat rent at the annual reexamination.

4. Minimum Rent: The minimum rental amount established by the Cohoes Housing Authority is presently set at \$50.00. Minimum rent minus any tenant-paid utility allowance shall be the actual rent charged. If that amount results in a "negative rent" CHA shall pay that amount to the utility company in the tenant's name.
