Important Notice to all Residents

Snow Removal

This is to clarify what day snow removal will take place. Please be sure all of your summer toys and furniture have been put away. Any pools left out on the ground will be disposed of.

The following is a time schedule for snow removal. Please be advised that **if the snow has stopped falling at 7:00am, snow removal will be that day if it is a work day. If snow is still falling at 8:00am, snow removal will be the following day.**

All cars must be removed from the parking lots and roadways by **9:00am.** If you are not going to be home, you must make arrangements to remove your car from the property.

Any cars that are not removed from the property by 9:00am will be towed at the owner's expense. We will continue to tow until the lot has been cleared.

Also, according to Section 14 (k) of your lease, you will be responsible to remove snow and ice from the front and rear porches. There will be a \$10.00 charge for failure to timely remove the snow and ice. This is a small area and we ask and expect your full cooperation in this matter. If you are elderly or have a disability, try to arrange for a child or a neighbor to help out, or call the office. The rest of our property will be done by our staff.

Your full cooperation is greatly appreciated. Your help is needed to keep the ground plowed and cleared. This removal is necessary for your safety and for **your** convenience in having parking space cleared.
